

Cape Tribulation Directions

From Cairns (allow 3 hrs), take **Sheridan Street** (which becomes the **Captain Cook Highway**) north out of Cairns and follow the highway - a spectacular coastal drive - past the Northern Beaches, past the turn off to Port Douglas and through the town of **Mossman**.

From Port Douglas (allow 2 hrs), take the main Port Douglas Road out to the Captain Cook Highway and turn right towards the town of **Mossman**.

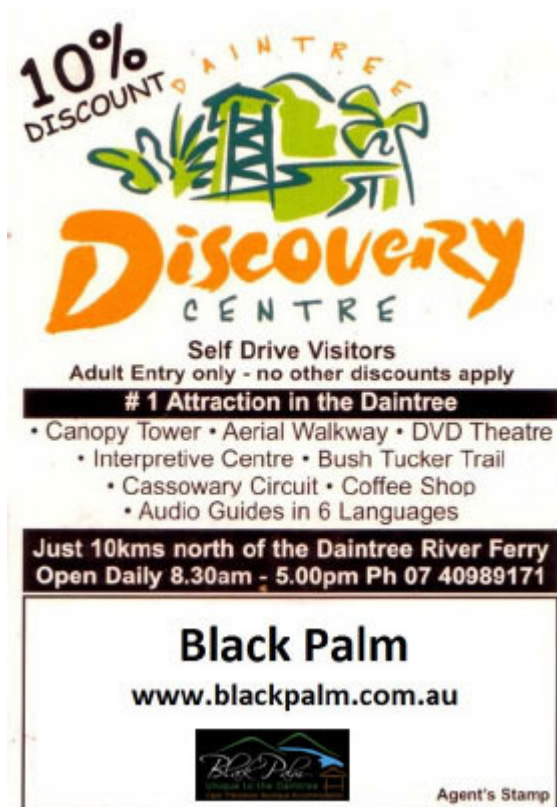

From Mossman (allow 1 ½ hrs), follow the main road north through Mossman and exit the town following signs to **Cape Tribulation** and **Daintree National Park**.

25km north of Mossman, opposite Crossroads Cafe on the left, take the **right hand turn** signposted to **Cape Tribulation National Park and Ferry Crossing**.

The **ferry across the Daintree River** operates from 6am to midnight daily and costs \$27 return per vehicle (eftpos facilities available from 9-5pm but cash only outside these times). When you drive off the ferry, follow the main **Cape Tribulation Road** north for approximately 45 minutes, until you enter Cape Tribulation.

Once in Cape Tribulation, take a left hand turn onto Camelot Close and then a right hand turn onto Nicole Drive. Follow Nicole Drive to the top and Black Palm Boutique Accommodation is located on the left of the road.

Bookings are essential and entry to the property is by pre-booked guests only.
